FBI Lists Suspect in 'Top 10'

The name of a 47-year-old man wanted in connection with a Torrance bank robbery has been placed on the FBI's list of the "ten most wanted fugitives."

He is James Joseph Scully, wanted in connection with the robbery last March 21 of the Security First National Bank in the Del Amo Center. The suspect escaped with \$4,000.

Scully also is wanted in connection with holdups in San Jose, Covina, Rowland Heights, and Santa Rosa.

The suspect may be armed, the FBI circular said, and "may be accompanied by an attractive young woman posing as his wife, and by two French poodles."

The FBI described Scully as a man who "like spaghetti vodka, and scotch, enjoys hunting, fishing, gambling, and golf, frequents racetracks and remote luxury motels, often wears expensive Western apparel, and has a high IQ."

BELAIR 8-TRACK PORTABLE STEREO
We thought of calling it the Homebeachcar. We settled on Belair instead.
Why the unusual name? Because this amazing unit plays big sound 8 track tape cartridges anywhere. Home (AC wall socket). Beach or boat or airplane (portable batteries). Car (cigarette lighter receptacle).
But the real story is in the sound. Quality engineered with solid state circuitry and high performance components, it gives a rich sound. A big sound.
The entire system snaps together, forming an easy-to-carry unit with rugged luggage-type cover. Then, with a simple flick of the finger, it separates in two. The speakers can be placed several feet away from each other to give true stereo separation. Insert the 8 track tape cartridge and away it goes.
